

## TON CROP WILL BE REDUCED

of Fertilizer in Mississippi Has Been Less Than Last Year. Jackson, Miss., April 19.—The sales of fertilizers in Mississippi this year have not been in excess of those of last season, according to statements made by the managers of large manufacturing plants.

It is true that shipments during the past three weeks have been very heavy, perhaps exceeding those for the same period of last year, but this is due wholly to the fact that a large majority of farmers delayed the placing of their orders usually sent in during the first three months of the year, and in a large number of instances early orders were canceled.

None of the fertilizer plants in Mississippi have arranged for outputs equal to those of last year, and it would now be a physical impossibility for these concerns to turn out the same volume of products as last season.

## American Fishermen Excluded.

St. Johns, N. F., April 19.—The upper house of the colonial legislature has passed Premier Bonds bill excluding American fishermen from Newfoundland waters. The bill provides that American fishing vessels found within the 3-mile limit of the coast of Newfoundland with bait, supplies or outfit purchased at any other port in the island shall be seized and forfeited, together with their cargoes. The task of proving that the supplies were not purchased in Newfoundland is made to devolve on the captain of the vessel. The bill was amended so as to permit the suspension of its operation at the discretion of the government. The governor's assent through a bill is expected before the end of the week.

When leading physicians said that W. M. Smithart of Pekin, Ill., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for consumption, coughs and colds kept him out of his grave. ## Cat's Scratch Proves Fatal.

Savannah, Ga., April 19.—Lorenzo Travis Blockson, 50 years old, a wealthy merchant of Punta Gorda, died in one of the local hospitals from blood poisoning. Two weeks ago a pet cat in the store of Mr. Blockson at Punta Gorda, scratched him on the hand. He gave no heed to the slight abrasion and a few days later it began to swell. Blood poisoning resulted, and he was brought to Savannah and placed in the hospital, where his arm was amputated. The poison had gone through his entire system, however, and the operation did not save him. Mr. Blockson leaves a widow.

## Chamberlain's Cough Remedy the Best and Most Popular.

"We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. ## Hair and Intellect.

"Did you ever notice," asked an observant woman, "how many intellectual people have auburn hair? At the theater the other night I don't remember noticing a single reddish head of hair among the hundreds of uncovered heads spread out before me. They were the well coiffed heads of the average nice woman. The next night I attended a meeting of a very learned society at which there were perhaps 200 or 300 of the brainiest thinkers and educators around town, and without turning my eyes I picked out at least a dozen auburn haired women in the few seats in front of me. Now, that was more than a coincidence. It argues something for the possessor of auburn hair, I should think."

## Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them at \$5.

## No Word from President.

Glenwood Springs, Colo., April 19.—Three days have passed since President Roosevelt started on his bear hunt, and no word has been received by Secretary Loeb.
